People Helping People Since 1982

About Daystar Life Center, Inc.

Daystar Life Center is a 501(c)3 Tax Exempt Charitable Organization serving Pinellas County.

As Americans, we expect to have enough food to eat, a safe place to live, and clothing to protect us from the elements; yet **12% of our neighbors in Pinellas County live below the poverty line.** Many of our neighbors are living hand to mouth on limited income. They are the elderly, the working poor, the disabled and the mentally ill. Any unforeseen financial emergency puts these neighbors at risk for going hungry and/or being homeless. About 35 percent are already homeless.

Emergency intervention helps people get back on their feet, remain or become self-sufficient and regain stability in their lives. Daystar Life Center, Inc., run by a small staff aided by dozens of volunteers and funded by charitable gifts, has been helping our "neighbors in need" combat homelessness, hunger and hopelessness for more than 30 years. An outstanding **95% of your donations provides services to help change lives!**

Last year 35,000+ individuals and families were impacted when they received 54,000+ emergency services including food and clothing, rent and utility bills, transportation assistance to get to job interviews, work or medical appointments (gas vouchers and bus passes), and communications assistance to apply for jobs, food stamps or unemployment (access to telephones, secure mail and computers).

In good times and in bad, there will always be individuals and families who need emergency assistance.

Daystar Needs Volunteers

Daystar Life Center, Inc. is volunteer-driven. A pool of 200+ dedicated men, women and young people perform all daily operations such as answering telephones, writing checks, interviewing clients, greeting clients, filling food bags, contacting landlords and utilities, pricing Thrift Shoppe items, sorting clothes, covering the register and more.

Want to help? Why not volunteer?
